Pray that God will use SLC Asia to strengthen churches, reach souls, and raise up another generation of laborers for the harvest.

Equip

Bring pastors, missionaries, and Christian workers together from across Asia with unity around the Gospel. (Philippians 1:27)

Evangelize

Refresh and strengthen those already faithfully serving Christ. (Ephesians 4:29)

Edify

Use the preaching and practical training to better prepare leaders for evangelism, discipleship, and local church ministry. (Ephesians 4:11–13)

Engage

Give pastors and churches a renewed burden to reach their communities, plant churches, and carry the Gospel throughout Asia. (Matthew 28:19–20)
